

Are there any improvements you would like us to make?

#	Responses	Date
1	Starting the SJ nights earlier so that the higher classes are not too late.	5/20/2015 8:31 PM
2	More parking on winter surface would be a luxury but not strictly necessary	5/20/2015 8:31 AM
3	think you do a fabulous job already & the farm is always in immaculate condition. Didn't have a problem with your surface when used it. Be very keen to run another open day there next season.	5/19/2015 6:58 PM
4	Glad cushion ride is changing as I find it hard to jump on	5/18/2015 8:00 AM
5	Jan is great at scheduling use of the arena, but would be better to go to an online system with bookings so you can see what is available.	5/16/2015 7:45 PM
6	Hold larger jumping shows	5/16/2015 10:11 AM
7	Maybe improve the toilet facilities?? Not a biggie.	5/15/2015 9:46 AM
8	I can't think of any right now	5/15/2015 7:27 AM
9	Easier parking for larger trucks	5/14/2015 11:15 PM
10	Nope I think your evenings are brilliant. Very relaxed awesome fun and very well run	5/14/2015 9:53 PM
11	I haven't been for a while but last time I did I was put off with the sj warm up as it was in the roundpen and it didn't work at all...horses crashing into each other as people were trying to jump at the same time without enough room...using the small arena to warm up used to be much better	5/14/2015 6:28 PM
12	Toilets ??	5/14/2015 6:25 PM
13	Probably just keeping an eye on those jolly rabbit holes in the dressage warm up area, I nearly came a cropper not watching out for them!	5/13/2015 1:07 PM
14	A nice toilet:)	5/12/2015 8:50 PM
15	training cross country course	5/12/2015 5:30 PM
16	Possibly some different fillers - like the wavy planks and wall fillers that are on showjumps.co.nz (basically anything that the horses find spooky - it would be so good to have somewhere safe to show them these things while the jumps are small)	5/12/2015 5:28 PM
17	not parking in a paddock . can be a bit bumpy for the horsey	5/12/2015 5:13 PM
18	XC Course Different dressage judges at Wednesday evening events - different perspectives would be good.	5/12/2015 4:38 PM
19	I think your pretty darn perfect.	5/12/2015 4:22 PM
20	I haven't been for a while as I felt it was a bit expensive but I think you have lowered the dressage cost since then.	5/12/2015 4:18 PM
21	Possibly parking	5/12/2015 3:02 PM
22	I'm extremely happy with the services. I'm made to feel welcome, never any dramas	5/12/2015 1:48 PM
23	Allowing people to use the wash bay to hose horses down after events, lessons etc	5/12/2015 1:33 PM
24	a toilet would be nice (for clinics)	5/12/2015 1:29 PM
25	mirrored arena	5/12/2015 1:24 PM
26	Better truck parking	5/12/2015 1:18 PM
27	If horses are there to be exercised, it is good that you ask us what needs doing, but what we don't know is what level rider is riding our horses. Are they track riders, or experienced sport horse riders?	5/18/2015 8:53 AM
28	You should always contact the owner of the horse before changing from original instructions. And when it is requested the vet checks a horse before increasing work/ change to paddocking; it is best practice to follow those instructions	5/14/2015 7:16 PM
29	N.a.	5/14/2015 11:54 AM

Are there any improvements you would like us to make?

30	No.....	5/19/2015 12:46 PM
31	Happy	5/15/2015 5:48 PM
32	No	5/14/2015 9:38 PM
33	Always room for improvement but not a lot of room in your case.	5/14/2015 4:49 PM
34	None I can think of	5/14/2015 4:48 PM
35	Any possibility of a fitness facility for preparing horses for eventing, if so, could a rider purchase a seasonal access card similar to WEC?	5/14/2015 3:14 PM
36	Facilities are great & one day I will get my pony up to enjoy some of your baby horse shows!	5/14/2015 3:14 PM
37	I've only had the one dressage lesson and the arenas were not able to be used at the time, so had to work around the jumps in the showjumping arena. Not a huge problem, but prefer to train in the actual arena to get better technique/arena etiquette benefit. Want to find out about what 'outside the box' exercises I can do with my horse to keep him 'thinking' and not bored, as well as improving suppleness and moving forward.	5/18/2015 2:28 PM
38	Ive always had lessons I think are appropriate to me and my horses level. Maybe could be slightly more open to different horses behaviours. Something that you may think the horse is doing as being rude may not be a big deal to the owner but its always good to have another perspective on their behaviour so its definitely not a bad thing to hear other views.	5/14/2015 10:32 AM
39	More variety of jumps	5/12/2015 9:11 PM
40	Happy with current situation, it meets all our needs	5/12/2015 6:59 PM
41	There is nothing more you could do it is really up to me to take more advantage of what you have to offer	5/12/2015 5:59 PM
42	Cheski always took the time to check 'in' at the beginning of each coaching session with my daughter to see how she was and what she had been doing in the previous week. This is an extremely important process to obtain a good baseline for the session.	5/12/2015 11:01 AM
43	I'd love to be under cheskis coaching but I am just financially unable to pay \$75 per hour . . No fault of abderry .. it's a fair price.	5/12/2015 9:30 AM
44	I enjoyed my lesson and think the time was spent well- have only had the one lesson to draw any conclusions from.	5/18/2015 2:28 PM
45	Not really, I think the facilities are great and love bringing young horses to your no pressure shows! Its so nice to come to something that you dont feel embarrassed if your horse misbehaves or wont go over a jump and to have the jump put down for you so you can work through the issue with a positive outcome.	5/14/2015 10:32 AM
46	Rider - Teacher intercom - have seen other instructors use these & they seem to make communication work really well??	5/14/2015 9:15 AM
47	Flood lighting	5/12/2015 9:11 PM
48	Happy with current situation	5/12/2015 6:59 PM
49	Nothing I can think of	5/12/2015 5:59 PM
50	Bigger indoor arena for winter??!	5/12/2015 4:11 PM
51	Brilliant value - if needed Cheski would go the extra distance (session overtime) to follow up a learning experience. She was not clock watching. We always felt the she was available via phone, text and email to discuss event successes and any problems!	5/12/2015 11:01 AM
52	I was very happy with my visits	5/12/2015 9:30 AM
53	None that I can think of	5/15/2015 8:24 PM
54	Cant think of any.	5/15/2015 3:53 PM
55	No	5/14/2015 8:18 PM
56	I really am struggling to think of anything that can be improved - I found the whole experience wonderful. Genuinely!	5/14/2015 7:46 PM
57	No. The whole experience was faultless	5/14/2015 1:03 PM
58	from my experience I cannot think of any.	5/14/2015 12:52 PM
59	Would love to see a weekend low level competition like the twilight dressage :)	5/16/2015 7:24 PM

Are there any improvements you would like us to make?

60	Facilities a fantastic. Don't change a thing. Grounds are always immaculate. I would like to see more casual gatherings...ie: mix of - Le Trec / dressage / showjumping / courses / ribbon days (tailored for older people wanting to get out and about?) Maybe targeting certain riders with mutual interests to arrange a group lesson?	5/16/2015 11:26 AM
61	Sell Abderry T shirts/jackets. The kids would love to promote that are part of the Abderry team. I get asked often where do we go for lessons etc.	5/16/2015 11:07 AM
62	Wash down near where we park	5/15/2015 7:30 PM
63	Wash down close to where we park	5/15/2015 7:21 PM
64	a covered arena (maybe ask santa) - then we could truly ride all year round and not have to cancel our lesson time due to weather conditions - if I win lotto I will make a contribution :)	5/15/2015 12:02 PM
65	Some tracks to go hacking on and some mid week dressage competition that occurs during school hours Mirrors for schooling	5/14/2015 11:58 PM
66	Maybe have an all weather dressage arena	5/14/2015 8:06 PM
67	Flood lights, so you could continue to hold twilight show jumping which helped my show jumping a lot, and also you could do more lessons during the winter months.	5/14/2015 8:06 PM
68	Maybe a few xc fences? A few more clinics in the holidays	5/14/2015 7:57 PM
69	A safe hacking track would be great. Winter dressage and show jumping training days (like the summer twilight ones)	5/14/2015 7:52 PM
70	Glad of the change of surface in the arenas.	5/14/2015 7:49 PM
71	Perhaps arrange to be able to make use of xc jumps so these can be incorporated into lesson	5/14/2015 7:44 PM
72	I don't have a background that involved horses and as an adult learner my friends that ride are FAR more experienced than me. I enjoy being independent but maybe being joined up with another person/people with similar goals or level for some lessons might be fun. I am very happy with services and facilities to date.	5/12/2015 9:47 PM
73	Sorry I don't have any. Just keep doing what you are doing.	5/12/2015 9:42 PM
74	No idea	5/12/2015 9:07 PM
75	rabbit holes in paddock	5/12/2015 7:36 PM
76	WOW, I love the facilities that you have already, both arena are amazing and the race is so cool to warm up on, even in the middle of winter when it is so wet.	5/12/2015 5:23 PM
77	Well if there was any one thing, and I'm getting really picky here would be to improve the toilet facility. Maybe. It actually doesn't bother me that much but since you asked...	5/12/2015 5:07 PM
78	My partner says he would like a covered arena..however I dont know that he would use it enough to pay if off. Perhaps a few seats by the arena which don't look into the sun if was really looking for constructive ideas.	5/12/2015 2:32 PM
79	no	5/12/2015 2:10 PM
80	From a purely selfish point of view, it would be really nice if parts of the property (races, polo field, some paddocks) were opened up say once a month so people could go hacking in a safe place.	5/12/2015 12:16 PM
81	I would have to think more about this one as I am a very happy user. I receive very good value thanks.	5/12/2015 11:21 AM
82	An indoor arena, swimming pool for the horses	5/12/2015 10:11 AM
